CONTRACTED MAINTENANCE SERVICES

CONTRACT #101

FOR

GEMCO BLENDERS

As a manufacturer you are well aware how costly down-time can be. Gemco now offers CONTRACTED MAINTENANCE SERVICES for its customers to assure proper care and service is given to your equipment. For continued reliable performance inspections will be made every four months.

EACH INITIAL CONTRACT WILL INCLUDE:

- A. Three service calls per year.
- B. First call, check original installation and operating procedures.
- C. Copies of service report and multi-point checklist for each call.
- D. One day of labor to cover multi-point maintenance per call.
- E. Up to three hours of travel time.

**CONTRACT "101" - STANDARD MODEL MAINTENANCE PROCEDURE
INCLUDES INSPECTION AND ADJUSTMENT OF:**

- 1. All vee belt arrangements
- 2. Pneumatic brake assembly, inspect disc, caliper and pucks
- 3. Gear-pinion/chain sprocket, main drive; add grease as required
- 4. Reducer and motor, add lube oil; change oil as required
- 5. Pillow block bearings; add grease as required
- 6. Access cover gaskets; check for leakage
- 7. Discharge valve seat; check for leakage
- 8. Trio control; check filter, add oil as required
- 9. Multi-point safety checklist

**CONTRACT "101" PRICE PER UNIT, F.O.B. MIDDLESEX, NJ .. \$ 2,400.00 PER
YEAR**

Should inspection indicate replacement parts and/or repairs be made to assure continued performance, additional labor and parts cost to install repair, and/or replace the necessary parts will apply: CONTACT FACTORY FOR CURRENT PRICING.

ADDITIONAL CHARGES:

1. Mileage - \$ 0.35/mile.
2. Hotel and meals as accrued, if overnight stay is required.
3. Airfare-actual cost, and rental car.
4. \$ 87.50 an hour for travel, portal to portal.
5. Parts.
