CONTRACTED MAINTENANCE SERVICES

CONTRACT #102

FOR STANDARD AGITATOR ASSEMBLIES

As a manufacturer, you are aware how costly down time can be. Gemco now offers CONTRACTED MAINTENANCE SERVICES for it's customers to assure proper care is given to your equipment. For continued reliable performance inspections will be made every four months.

EACH INITIAL CONTRACT WILL INCLUDE:

- A. Three service calls per year.
- B. First call if on a new unit, check original installation and operating procedures. If on an older unit, rebuild assembly.
- C. Copies of service report for each call.
- D. One day of labor to cover multi-point maintenance
- E. Up to three hours of travel time.
- F. One shaft bearings set and lantern rign(if equipt) replacement included in contract.

MAINTENANCE PROCEDURE INCLUDES INSPECTION AND ADJUSTMENT OF:

- A. Agitator shaft for alignment, balance and wear.
- B. Packing gland.
- C. Agitator Blade Assembly.
- D. Vented Cover.
- E. High speed rotary union (liquid feed).
- F. Shaft Bearings, packing and felts

ADDITIONAL SERVICE:

- A. Clean and repack agitator seal cavity.
- B. Replace shaft bearings, as required.

CONTRACT #102 PRICE PER UNIT, F.O.B. MIDDLESEX, N.J.-- \$ 2,100.00 PER YEAR.

IF COMBINED WITH A BLENDER OR DRYER CMS \$1,050.00 PER YEAR

NOTE: Should inspection indicate replacement parts and/or repairs be made to assure continued performance, additional labor and parts cost to install, repair and/or replace the necessary parts will apply. **CONSULT FACTORY FOR CURRENT CHARGES.**

ADDITIONAL CHARGES:

1. Mileage - \$ 0.35/mile.
2. Hotel and meals as accrued, if overnight stay is required.
3. Airfare-actual cost, and rental car.
4. \$ 87.50 an hour for travel to and from job site.
5. Parts.
